Ecosys®

Product Configuration

FS-C5400DN

Output Speeds and Productivity

	BLACK	COLOR
FS-C5400DN	37 ppm Black	37 ppm Color

Dimensions

Approximate dimensions and weight of mainframe

FS-C5400DN   13.6"W x 20.4"D x 20.1"H / 77.8 lbs

Approximate dimensions and weight of PF-500

PF-500   13.6"W x 18.8"D x 4.5"H / 8.8 lbs

Approximate dimensions and weight of PF-510

PF-510   13.6"W x 18.8"D x 4.5"H / 8.8 lbs

Approximate dimensions and weight of CA-500

CA-500   18.7"W x 24.0"D x 3.5"H / 4.5 lbs

Requirements Checklist

✔ Take accurate measurements of the intended install location to ensure the printer with applicable accessories will fit accordingly

✔ Make sure to include appropriate number of paper trays

✔ Did you load the KX Driver and make it the default print driver?

✔ Did you install additional Kyocera utilities to help monitor and manage your customers devices?

✔ Check for appropriate toner item codes

✔ Did you leave the Product Library CD with the customer?

✔ Conduct a thorough key operator training for features like USB printing and e-MPS

Additional Accessories (not shown)

• Hard Disk Drive HD-5(A)

• Expansion Memory DIMM 128/256/512/1024MB
